

## DISSEMINATION OF NETWORK RESULTS AND KNOWLEDGE AND TECHNOLOGY TRANSFER - YEAR 1 (March 1, 2006 - Feb 28, 2007)

CONFERENCE PRESENTATIONS		
NAME	TITLE	DETAILS
Cairns, A., Weisz, E., Petruniak, J., Hoare, J., Elliot, M., & Yan, N.D.	A 300 Lake <i>Bythotrephes</i> Survey: Objectives, Methodologies and Invaded Lakes	Society of Canadian Limnologists; Montreal, QC, January 5-7, 2007
Casas-Monroy O., Roy S., & Rochon, A.	Invasion pressure of non-indigenous dinoflagellate species (vegetative forms and cysts) in ship ballast tanks visiting Canadian East Coast	Québec-Océan annual meeting; Rivière-du-Loup, QC, November 29-30, 2006
Cudmore, B., & Mandrak, N.	Update: Canadian Risk Assessment of the Aquarium Trade	Centre for Environmental Cooperation Trilateral Risk Assessment Meeting; Orlando, FL, USA, October 2006
Cudmore, B., & Mandrak, N.	Asian Carps and the Canadian Live Food Fish Trade	Invasive Asian Carps in North America: A Forum to Understand the Biology and Manage the Problem; Peoria, IL, USA, August 2006
Elliot, M., Yan, N.D., & Cairns, A.	Using GIS to Optimize the Design of a Regional <i>Bythotrephes</i> Survey in Ontario	Society of Canadian Limnologists; Montreal, QC, January 5-7, 2007
Humphrey, D., DiBacco, C., & Levings, C.	Ballast Water as a Vector for Aquatic Invasive Species Introductions into the Strait of Georgia, Canada	American Society of Limnology and Oceanography; Victoria BC, June 2006
Humphrey, D., DiBacco, C., & Levings, C.	Ballast Water as a Vector for Aquatic Invasive Species Introduction into Vancouver Harbour, Canada	Valuing Nature: Stewardship & Conservation in Canada Conference; Corner Brook, NL, July 2006
Mandrak, N.E., Drake, A., & Harvey, H.H.	Determining the Risk of Spreading AIS Through the Baitfish Industry in Ontario	American Fish Society Annual Meeting; Lake Placid, NY, USA, September 2006
Ricciardi, A.	Can We Predict the Impacts of Exotic Species in Inland Waters? (Plenary Talk)	60th Canadian Conference for Fisheries Research/Canadian Society of Limnologists; Montreal, QC, January 5, 2007
Ricciardi, A.	Can We Predict the Impacts of Invasive Species in Inland Waters?	Swiss Federal Institute of Aquatic Science and Technology (EAWAG), Dübendorf, Switzerland, January 19, 2007
Yan, N.D.	The Canadian Aquatic Invasive Species Network: York University's 2005/2006 Work in Muskoka	Muskoka Watershed Council - District Council Chambers; Bracebridge, ON, September 15, 2006
TECHNICAL REPORTS		
NAME	TITLE	DETAILS
Cairns, A., Elliott, M., Yan, N.D. & Weisz, E.	Operationalizing CAISN Project I.V, Technical Report #1: Lake Selection	Technical report prepared for CAISN, November 2006
Cairns, A., Yan, N.D., Weisz, E., Petruniak, J., & Hoare, J.	Operationalizing CAISN Project I.V, Technical Report #2: Large Inland Lake <i>Bythotrephes</i> Survey - Limnology, Database Design and Presence of <i>Bythotrephes</i> and Other Pelagic Macroinvertebrates in 311 South-Central Ontario Lakes	Technical report prepared for CAISN, 66 pp., November 2006
Casas-Monroy O., Roy S., & Rochon, A.	Sampling Dinoflagellates (Vegetative Forms and Cysts) in Ballast Water and Sediments	CAISN Planning Meeting; Moncton NB, October 2006
Maclsaac, H., & van Overdijk, C.	Ship ballast sampling	CAISN Planning Meeting; Moncton NB, October 2006
Rivkin, R.B.	Sampling and Operational Requirements for the Analysis of Microbial Populations in Ballast Water	CAISN Planning Meeting; Moncton, NB, October 2006
Therriault, T.W., & Herborg, L.-M.	Risk assessment for two solitary and three colonial tunicates in both Atlantic and Pacific Canadian Waters	Canadian Science Advisory Secretariat Research Document 2007/063: 64pp.
Wonham, M.J.	CAISN Project III-I	Literature review report and future priorities, 2006

**DISSEMINATION OF NETWORK RESULTS AND KNOWLEDGE AND TECHNOLOGY TRANSFER - YEAR 1 (March 1, 2006 - Feb 28, 2007)**

<b>THESIS</b>		
NAME	TITLE	DETAILS
Wilkins, K.	Survival of <i>Bythotrephes</i> in the Laboratory	Honours thesis; York University, Department of Biology 30pp. (N. Yan, supervisor)

  

<b>MEDIA COVERAGE</b>		
NAME	TITLE	DETAILS
Kaczmarska, I.	What Is Coming To Our Ports? A Look at Invasive Species	Mount Allison University Campus Notebook, 2006
Maclsaac, H.	Dr. Hugh Maclsaac Named Director of Aquatic Invasive Species Network	The University of Windsor Daily News, 2006
Maclsaac, H.	Coalition of Scientists Tackles Lake Invaders	The Windsor Star; June 3, 2006
Maclsaac, H.	Windsor Scientist to Lead National Program	The Windsor Star; September 23, 2006
Ricciardi, A.	Alien Alert: Shrimpy Invaders Raises Big Concerns	Science News; vol. 171, p.20, January 13, 2007
Ricciardi, A.	Shrimp Joins Great Lakes Invader List	Milwaukee Journal Sentinel, December 21, 2006
Rivkin, R.	Researcher Leads National Network on Coastal Ecosystems	Memorial University of Newfoundland Gazette, June 29, 2006
Yan, N.	Muskoka Becomes Part of Nationwide Aquatic Invasive Species Network	Muskoka Sun, June 22, 2006

  

<b>OTHER</b>		
NAME	TITLE	DETAILS
DiBacco, C., Humphrey, D., & Levings, C.	Ballast Water Workshop	Sponsored by British Columbia Chamber of Shipping; June 27, 2006
Maclsaac, H.	Modeling Biological Invasions	McGill University, Montreal, QC, October 2006
Ricciardi, A.	Alien Invasion	Corporate Knights; October 2006
Rivkin, R.	Threats to Coastal Ecosystems; CAISN network importance and contribution	Memorial University of Newfoundland President's Report on Research, 2006
Rivkin, R.	Research Overview & Highlights; CAISN research	Ocean Sciences Centre Annual report, 2005
